Team 9:
Iatco Sorin
Gutu Dinu
Cucos Emanuil
Bucataru Daniel
Botnari Ciprian

User Persona

Cristina

Age: 24
Education: Master's degree
Hometown: Chisinau
Family: In a relationship
Occupations: SW dev Automotive

Likes: movies, music, anime, manga, The Sims 3, dark beer and black tea, to work remote, cats

Dislikes: cold, expensive bills, taxes, to be hungry and angry

Goals:
- Healthy family and peace
- Career growth
- To own a house
- To visit as many countries as possible

Frustrations:
- war
- the economic crisis
- prices increase

Cristina is a young programmer, which is very happy that she graduated master's degree this summer and has no more exams/homework/projects to do. She has been working as a software developer for 3 years, and she believes that it was a good decision to choose this field. She likes to stay at home, this is the reason why she works remote, also this is the reason she likes her colleagues (love at distance).
